

As Cocaine Anonymous clearly states, our primary purpose is to carry the message to the addict who still suffers. All C.A. events are open to anyone interested in the Twelve Step Program of recovery, so please come participate in our event so we can continue to grow in our fellowship. Please support the Ohio Area Convention by registering. Registering is very important in helping to carry the message and to continue in being self-supporting. You must be registered to attend workshops, main events and use of the hospitality room.
