

C.A. events are open to anyone interested in the Twelve Step Program of recovery, so please come and participate in our event so we can continue to grow in our fellowship. Please support the Ohio Area Convention by registering. You must be registered to attend workshops, and to enter our hospitality room. It is the support of each participant's registration that helps our convention to be a success and allows us to carry the message to the newcomer. As our Fifth Tradition states, our primary purpose is to carry the message to the addict who still suffers.
