### Why We Register

One of the many exciting ways for people in the fellowship to meet and learn more about the program of Cocaine Anonymous is by attending and participating in Conventions. Whether you are new or you have a few days of recovery, conventions offer people in the fellowship an opportunity to grow. There are speaker meetings, workshops, marathon meetings, recreational activities, and special events that add to the Spirit of Recovery and fellowship that will be present at this convention.

Registration funds provide the Convention Committee financial and planning resources that will assist in making the Convention a success. Let us not lose sight of the fact that the funds generated from this Convention go to help support CAWSO, Hotlines, Public Information, Outreach and more. It enables us to continue to carry the message to the addict who still suffers!
