

C.A. events are open to anyone interested in the Twelve Step Program of recovery, so please come and participate in our event so our fellowship can continue to grow. Our Fifth Tradition states: "Our primary purpose is to carry the message to the addict who still suffers".

Please support the First Columbus District Convention by registering. You must be registered to attend workshops, and to enter our hospitality room. It is the support of each participant's registration that helps our convention to be successful and to allow us to carry the message of recovery.
